IUOE BU 13  
REALIGNMENT SIDE LETTER  
IDEAS

At

This agreement is a Side Letter to the current Memorandum of Understanding (contract), effective through July 1, 2013, entered into by the State of California (State or State Employer) and the International Union of Operating Engineers (IUOE) Bargaining Unit 13 (BU 13). The purpose of this Side Letter is to assist in effectuating Realignment, as mandated in AB 109 and related legislation, and to continue to promote harmonious labor relations between the State and the Union.

By reaching a negotiated agreement on labor issues related to Realignment will save both time and money as opposed to utilizing the typical layoff process;

This agreement honors the principle of seniority and the ability to bid to vacant positions throughout the State; and

This agreement enables employees to have more control over where they may end up working during the Realignment process; and

This negotiated agreement provides employees with opportunity to make decisions regarding their employment sooner.

The State Employer and the Union enter the agreement as follows:

1. **Supersession:** In reaching agreement on this Side Letter, the parties agree and confirm that they have, through negotiation, superseded any and all (1) supersedable layoff statutes, including sections of the Government Code, (2) Department of Personnel Administration rules or regulations, (3) provisions of the Layoff Manual, and/or (4) articles of the parties' contract that are in conflict with the terms and conditions of this Side Letter.
  2. **Term:** This Agreement shall become effective with the initiation of the first wave and shall end October 1, 2013. As such, this Side Letter shall continue beyond the term of the parties' current contract (i.e., beyond July 1, 2013). After this time, if the realignment process is not completed this argument agreement shall continue unless either party requests a meet and confer and such meet and confer is concluded.
  3. **Dispute Resolution:** Any dispute regarding the interpretation, application or alleged violation of this Side Letter shall be subject to the grievance and arbitration procedure of the parties' current contract unless specified as outlined below.

4. **Seniority Scores:** Because all bargaining unit members have already been provided their seniority scores (bargaining unit 13 seniority), as well as had the opportunity to challenge those scores, there shall be no further thirty (30) day seniority score challenges for Realignment layoffs. Commencing with the second wave (2<sup>nd</sup>) after SROA notices are received, employees shall have fourteen (14) calendar days in which to provide additional information related to their seniority scores (i.e., challenges).

5. **Distribution of Workforce/Layoff:** Each Realignment wave will be based on a determination of overages and vacancies in staffing. Surplus employees will be given State Restriction of Appointment (SROA) notices although actual layoffs may be mitigated through the Voluntary Transfer Process at the beginning of each Realignment wave.

6. **Voluntary Transfer Process:**

- (1) Prior to sending out any transfer options worksheets, the California Department of Corrections and Rehabilitation (CDCR) shall publish, on internet, intranet, and post at each location, statewide information regarding locations that have overages and vacancies by classification. For clarification purposes only, a vacant authorized position filled with a Limited Term Appointment is considered a vacancy.
- (2) Prior to sending out any transfer options worksheets, CDCR shall also post name, classification and seniority scores by county on the internet, intranet and at each work location.
- (3) Before offering vacancies as part of this process CDCR will first utilize section 14.1 (Post and Bid - Local Work Locations).
- (4) Voluntary transfers may be requested by any employee within a county with any overage in that employee's designated classification. All vacancies in the State in that classification shall be made available for such transfer request.
- (5) By the designated deadline, employees shall opt in or opt out of the voluntary transfer process by filling out the form(s) provided by CDCR. For those that opt in, employees shall rank their transfer preferences. Employees shall have ten (10) calendar days from the date of postmark to complete and return the required form(s). Responses may be mailed, sent via facsimile or scanned and emailed. Late response shall not be accepted or processed.
- (6) On the transfer form(s), CDCR shall communicate to employees that, although this Voluntary Transfer Process allows employees with the opportunity to transfer out of county sooner, depending upon demotional bumping and one's seniority score, an employee
